Did you know?

Track 3 provides approximately 8,195 teaching hours each winter, at a cost of \$42 per hour, to enable kids to experience the magic of snow sports. It takes more than 450 volunteers and plenty of support to run our programs.

Fundraising is our ticket to the lift! Start a mini event... ask your employer for matched donations... donate in honour of a friend...

Every dollar helps us put smiles on faces.

Volunteer with Track 3 - Enjoy the best 7 days of your alpine season!

In every aspect of our organization, the key to delivering a successful season starts and ends with volunteers. Whether they are on the hill or in the chalet, behind the scenes or front and centre at our events, we make tracks in the snow because volunteers care. We enable volunteer heroes with the training and resources and in turn, they create smiles and change lives.

Registration packages for returning volunteers and students will be emailed in the beginning of September. Watch your inbox!

Visit our website to learn more fantastic ways to make your winter remarkable. And be sure to share this incredible volunteer opportunity with your friends.

Join the team

Ontario Track 3 is governed by a volunteer Board of Directors who offer their time and talents. A strong representation of skills and knowledge enable Track 3 to carry out our mission.

We have openings on the Board. Join the team and make a real difference! Contact our office and share your ideas.
